- This coach will work closely with the Tumbling Director in Lake Orion following class protocol, setting schedules, and any other duties as seen fit. Experience or familiarity in coaching gymnastics is preferred, but not required.
- Position will remain open until filled.

Tumbling Coach Responsibilities:

- Lead thorough warm-ups ahead of practices and cool downs after practice.
- Teach foundational techniques including rolling, handstands, and round-offs.
- Instruct on advanced movements including handsprings, aerial cartwheels, and front flips.
- Teach and refine tumbling skills.
- Insist on steadfast adherence to every safety guideline.
- Recording attendance and advancement during/after lessons.

Must have:

- Superb verbal communication and interpersonal skills.
- Willingness to instill dedication and self-respect in students.
- Physical agility and be capable of assisting with tumbling maneuvers.

All fLipSpot coaches have the following responsibilities:

- Clean and maintain all necessary equipment.
- Assist other members of the coaching staff.
- Help students learn proper techniques.
- Ensure environment is safe for students and other coaches.
- Serve as a role model for younger gymnasts.
